

2-Hour Pussy Cat Hat {free knitting pattern}

January 10, 2017

I've had a ton of requests for a hat pattern using Ewe Ewe yarns for the [Pussy Hat Project](#). This is a political movement and while you may or may not support it this is a cute hat that you can make in pink or any other color. It's up to you!

Politics aside, I am happy that more and more people are learning to knit just to make these hats. Let's support new knitters and get them casting on whatever the case! Here is our free hat knitting pattern and as the name suggests – it's quick to make!

2-Hour Pussy Cat Hat

Ewe Ewe Yarns Pattern #131
Designed by Heather Walpole

Measurements: 8-9" high, 17" around; stretches to fit 23-24" head

Yarn: Ewe Ewe [Baa Baa Bulky](#), 132 yards; **1 skein** (10 Berry).

Needles: US 15 (10 mm) 16" circular knitting needles

Supplies: Stitch marker, darning needle

Gauge: 8 sts to 4" in stockinette stitch

Notes: The yarn is held double throughout the hat by being pulled from the outside and inside of the skein. This hat uses the entire ball for an adult size hat.

Pattern:

With yarn held doubled, cast on 42 stitches, place marker and join in the round being careful not to twist cast-on stitches.

Round 1: *K1, P1, rep from * around.

Repeat Row 1 for 9 rounds more.

Round 11: Knit around.

Continue to work as for Round 11 until hat measures 8-9" from the beginning or until there is about 1½ yards of yarn left.

Bind off.

Pull the remaining yarn through the last stitch, lay the hat flat and sew a seam across the top to close the hat. This will form the finished kitty cat ears.

Wear your new hat with pride!
