## Headband/Ear-Warmer with Bumps

Pattern for Headband/Ear-warmer with Bumps

**Supplies needed:** loom with even number of pegs. I used the purple loom for the one I made in the picture.

knitting hook

yarn needle

Yarn of your choice. I used Vanna's Choice in Chocolate

You will need to know how to e-wrap, purl, knit (not e-wrap), and how to do the super stretchy bind off to make this pattern.

Row 1. Using two strands of yarn as one cast on the loom using the basic e-wrap.

Rows 2 and 3 . k2, p2 \* repeat around the loom

Rows 4 and 5. p1, (k2,p2) last 3 pegs k2, p1

Rows 6 and 7. p2,k2 \* repeat around the loom

Rows 8 and 9. k1, (p2,k2) last 3 pegs p2,k1

Keep repeating rows 2 -9 until the ear-warmer is the length you want.

You are now ready to cast off. Use the super stretchy bind off method. Wrap your yarn around the loom 4 times and then cut the working yarn. Do **NOT** remove the loops on the pegs until the very end. Put your yarn needle on the yarn and sew **up** through the 2nd peg, then **down** through the 1st peg. Go **up** through the 3rd peg and **down** through the 2nd. You will continue doing this around the loom. You will be done with this bind off when you bring the yarn **up** through the 1st peg and then **down** through the last. You are now ready to take the headband/ear-warmer off the loom. Go ahead and make a knot and leave enough yarn to sew and hide.

I used the pattern above to make a hat and really love the way it turned out. Check out this post to see it.
